

Monitoring the Implementation of the Local Plan

1. Review and attach a copy of the agreements in accordance with E.C. § 56195.7 (c)(6) that describes how district special education programs will be reviewed and what are the mechanisms for correcting any problems.
2. Please describe the process the SELPA uses to monitor compliance with State and Federal laws as identified in your local plan. (attach extra pages if necessary)
3. Furnish any documentation you may have regarding the most recent monitoring activity that has been completed in your district.
4. During your self-review, if you have any systemic noncompliant findings, please explain why these were not discovered through the SELPA monitoring process. (attach extra pages if necessary)
5. Have your SELPA attach an explanation how it plans to come into compliance with the requirements of EC § 56195.7.
